

This Administrative Services Agreement (the "Agreement") is entered into this 1st day of January, 2022 by and between **Consolidated Admin Services, LLC**, an Arkansas Limited Liability Company ("CAS") and **BOKF, NA dba Bank of Oklahoma** ("Trustee"), as Plan Trustee of a self-funded employee benefits plan (the "Plan") and consented to by **Tulsa County** ("Employer").

**ARTICLE I.
SERVICES AND TERM**

- 1.1 Provision of Services. Subject to the terms and conditions of this Agreement, for the term of this Agreement, CAS shall provide to Trustee, and Trustee shall purchase from CAS, the Services as set forth in this Agreement and any Exhibits attached hereto.
- 1.2 Term. The initial term of this Agreement shall be for a period of one (1) year commencing on January 1, 2022 (the "Effective Date") and ending on December 31, 2022. This Agreement may be renewed by written agreement of the parties upon the same terms and conditions.
- 1.3 Scope of Undertaking. Trustee and Employer have authority to control and manage operation of the Plan. CAS is and shall remain an independent contractor with respect to the services being performed hereunder and shall not for any purpose be deemed an employee of Trustee. CAS and Trustee shall not be deemed partners, engaged in a joint venture or governed by any legal relationship other than that of independent contractors. CAS does not assume any responsibility for the general design of the Plan, the adequacy of funding required by the Plan, or any act or omission or breach of duty by Trustee. CAS shall not in any way be deemed to be an insurer, underwriter, or guarantor with respect to any benefits payable under the Plan. CAS provides claims administration services only and does not assume any financial risk or obligation with respect to claims for benefits payable by Trustee under the Plan. Nothing herein shall be deemed to constitute CAS as a party to the Plan or to confer upon CAS any authority or control respecting management of the Plan, authority or responsibility in connection with administration of the Plan, or responsibility for the terms or validity of the Plan. Nothing in this Agreement shall be deemed to impose upon CAS any obligation to any employee of Employer or any person who is participating in the Plan.

**ARTICLE II.
CAS OBLIGATIONS**

- 2.1 CAS Obligations. CAS's sole responsibilities to Trustee shall be limited to those described in this Agreement and any Exhibits attached hereto. As of the Effective Date, CAS shall:
 - (a) Provide the Administrative Claims Processing Services to Trustee in accordance with Exhibit "B" attached hereto and incorporated herein by reference.
 - (b) Maintain books and records of all transactions subject to this Agreement and between Trustee and Enrollees in accordance with standards of record keeping customary in the health and welfare benefits administration industry. CAS acknowledges that the appropriate regulatory authority has the right to inspect all records and books that are maintained by CAS in accordance with this Agreement.

- (c) Maintain all licenses and permits required by applicable federal, state and local statutes and regulations to carry out its obligations under this Agreement. CAS represents and warrants that it is and will remain during the term of this Agreement in compliance with applicable state and federal laws.
- 2.2 Reliance on Instructions and Plan Documents. CAS may rely upon any written instructions or information relating to CAS's performance of Services provided to CAS by Trustee or Trustee's designated representatives, and reasonably believed by CAS to be genuine and authorized by Trustee. CAS may rely on, and is under no obligation to investigate the accuracy or completeness of the information in the Plan Documents provided by Trustee pursuant to Section 3.1. CAS shall incur no liability resulting from CAS's reasonable reliance on such instructions or information.
- 2.3 Standard of Care. CAS shall use reasonable care and due diligence in the exercise of its powers in the performance of its duties under this Agreement. If CAS makes any payment under this Agreement to an ineligible person, or if more than the correct amount is paid, CAS shall make a diligent effort to recover any such payment made to or on behalf of an ineligible person or any overpayment. However, in no event shall CAS be liable to Trustee or any third party for such overpayment or payment error, unless CAS would otherwise be liable under another provision of this Agreement.
- 2.4 Non-Discretionary Duties. CAS and Trustee agree that the duties to be performed by CAS hereunder are non-discretionary duties. CAS will assist in the coordination of services by certain vendors to Employer's plan at the request of Trustee, provided that, unless otherwise agreed upon in writing, CAS shall not be liable for payment to such vendors or for the acts or omissions of such vendors. CAS and Trustee may also agree to additional duties in writing as may be specified in any Exhibits and/or amendments from time to time.

ARTICLE III. TRUSTEE OBLIGATIONS

- 3.1 Trustee Obligations. To enable CAS to perform its obligations under this Agreement, Trustee agrees to the following:
- (a) Trustee Responsibilities. Trustee and Employer have authority and responsibility for the Plan and its operation, including the authority and responsibility for administering, construing, and interpreting the provisions of the Plan and making determinations thereunder. Trustee gives CAS the authority to act on behalf of Trustee in connection with the Plan, but only as expressly stated in this Agreement or as mutually agreed upon in writing between Trustee and CAS. All final determinations as to an Enrollee's entitlement to Plan benefits are to be made by Employer, including any determination upon appeal of a denied claim for Plan benefits.
- (b) Information to CAS. Trustee shall furnish to CAS all information necessary for CAS to perform its functions hereunder, including information concerning the Plan and the eligibility of individuals to participate in and receive Plan benefits. CAS shall have no responsibility with regard to benefits paid in error due to Trustee's failure to timely update any information required to be furnished pursuant to this Section. Additionally, should Trustee fail to provide CAS with any information necessary in order for CAS to comply with applicable federal and/or state law reporting requirements, Trustee shall be

solely responsible for payment of any monetary penalties assessed against CAS as a result thereof.

- (c) Plan Documents. Trustee and Employer are responsible for the Plan's compliance with all applicable federal and state laws and regulations and Trustee shall furnish written notification to CAS with complete and accurate copies of the current Plan Documents, as well as any Plan Amendments, at least sixty (60) days before the effective date of such changes. Trustee acknowledges that CAS is not providing tax or legal advice and that Trustee and Employer shall be responsible for determining the legal and tax status of the Plan.
 - (d) Licenses. Trustee shall maintain and file all licenses, permits, reports and disclosures and maintain the Plan in compliance with and as required by applicable federal, state, and local statutes and regulations.
 - (e) Retroactive Plan Changes. Trustee shall provide CAS with sixty (60) days prior written notice for any plan amendments. In the event Trustee fails to provide notice to CAS within this timeframe, or in the event Trustee desires to make retroactive amendments to the Plan, Trustee shall be responsible for all fees and expenses incurred by CAS in the correction of any claims impacted by such amendment(s).
 - (f) Trustee shall perform any other administrative functions not expressly assumed by CAS hereunder.
- 3.2 Final Authority. Trustee shall have all discretionary authority and control over the management and disposition of Plan assets to the exclusion of CAS. CAS shall not exercise any authority or control with respect to the management or disposition of the assets of the Plan. CAS shall have no responsibility or liability with respect to (i) any funding of Plan Benefits, (ii) any insurance coverage pertaining to the Plan, Enrollees, or Employer, or (iii) the nature or quality of professional health services rendered to Enrollees.
- 3.3 Banking Arrangements. Trustee shall provide sufficient funds to cover all of its obligations under the Plan, and CAS has no duty or obligation, legal or otherwise, to make such payments should Trustee fail to provide such funding. Trustee specifically authorizes CAS to issue claims payment via check, electronic transfer, and/or any other valid form of payment on a bank account established and maintained in the name of the Plan. At an interval to be mutually agreed upon, CAS shall notify Trustee of the amount needed to pay approved benefit claims and Trustee shall transfer or authorize payment from the bank account in order to fund Plan benefits. Trustee shall enter into such agreements and provide instructions to its bank, if necessary, in order to implement this Section 3.3. CAS shall have sole authority to provide whatever notifications, instructions, or directions as may be necessary to accomplish the disbursement of such funds to or on behalf of Enrollees in payment of approved claims.
- 3.4 Funding of Benefits. Funding for any payment on behalf of Enrollees under the Plan, including but not limited to, all benefits to Enrollees in accordance with the Plan, is the sole responsibility of Employer and Trustee, and Trustee and Employer agree to accept liability for, and provide sufficient funds to satisfy, all payment to Enrollees under the Plan, including claims for reimbursement of covered expenses, if such expenses are incurred and the claim is presented for payment during the term of this Agreement.

- 3.5 Payment Methods. Trustee agrees that CAS may subcontract with qualified entities for purposes of issuing claims payments to providers and/or facilities via check, electronic transfer, or any other valid form of payment, as determined by CAS in its reasonable discretion. Trustee agrees to provide CAS with its reasonable cooperation to allow CAS to implement various payment platforms for Trustee's Plan(s), including providing CAS with any reasonable documentation necessary to implement these services. Trustee acknowledges that CAS may receive certain financial incentives as a result of such arrangements based upon the aggregate amount of claim dollars processed through CAS qualified entities. Notwithstanding, CAS and Trustee agree that participation incentives are not specific to Employer's Plan(s), and will not directly impact Employer's Plan costs or expenses in any way.

ARTICLE IV. PAYMENTS TO CAS

- 4.1 CAS Services Charges. The monthly administrative service charges payable to CAS are described in the Exhibit "A" attached hereto. Trustee shall pay CAS for all Services provided under this Agreement consistent with the terms of Exhibit "A". Except as otherwise provided in Exhibit "A," CAS shall invoice Trustee on or before the twenty-fifth (25th) day of each month for CAS administrative service charges incurred for the month immediately following the invoiced date. Trustee shall make payment to CAS no later than ten (10) business days after the invoice date. Trustee agrees to pay the invoiced amount in full and any subsequent adjustments shall be reflected in the next billing cycle. Should Trustee fail to make payment to CAS within this time period, such amounts may, in CAS's sole discretion, be automatically deducted from the bank account maintained by Trustee pursuant to Article III. Trustee also acknowledges that failure to timely pay any invoiced amounts when due may result in automatic suspension of all services provided hereunder until all past due amounts are received by CAS. This includes, but is not limited to, retroactive reversal of discounts taken on Trustee's claims through any PPO network(s) associated and/or affiliated with CAS. Suspension of services for nonpayment may also extend to any subcontractors and/or vendors listed in Exhibit "A".

Notwithstanding any other remedies provided herein, any amount due pursuant to Exhibit "A" that is not timely paid shall thereafter bear interest until paid at a rate of interest equal to three percent (3%) per annum more than the prime rate established by Citibank N.A. of New York, or the maximum rate permitted by law, whichever is less.

- 4.2 Billing of Charges. As reasonably requested by Trustee, CAS shall provide to Trustee reasonable documentation and back-up to explain or detail its administrative service charges. When applicable, CAS shall have the right to audit the employment records of the Employer only as necessary to verify the accuracy of the fee calculations. All charges contemplated by this Agreement, whether provided for in this or any other section or Exhibit, shall be included on Trustee's monthly statement. The charges shall be separately itemized; however, the statement shall be totaled as one amount for such billing month.
- 4.3 Fee Adjustments. Pursuant to Section 1.2, CAS's fees are guaranteed for the initial term of the Agreement. The fees payable to other vendors may be subject to change after the first twelve (12) months of the Agreement. Notwithstanding the foregoing, CAS shall have the right to adjust the fees set forth in Exhibit "A" if (i) the Plan or applicable federal and/or state law is amended to modify benefits in a manner that materially effects CAS's administrative duties, (ii) there is a material variation, of at least ten percent (10%), in participant enrollment or family coverage, or (iii) CAS's cost of operation is increased solely by virtue of increased postal charges. Said fee

adjustment, if any, shall be limited to the amount of increased cost incurred by CAS due to any of the above listed changes.

- 4.4 Taxes and Miscellaneous Fees. Trustee shall pay, or reimburse CAS for the payment of, any taxes, however designed or levied, based upon any charges under this Agreement, or upon the Services provided under this Agreement, or their use, exclusive, however, of franchise taxes or income taxes based on income of CAS. In addition, Trustee shall be responsible for reimbursing CAS any fees associated with Trustee's failure to timely remit administrative fees and/or premium payments, including, but not limited to, expedite fees for late payment associated with Trustee's stop-loss policies and/or fees owed to other vendors.

ARTICLE V. TRADEMARKS AND RELATED PROVISIONS

5.1 Trademarks and Related Provisions.

- (a) The trademarks, service marks, trade names, and logos of CAS and its Affiliates are the property of CAS and its Affiliates, and Trustee and Employer have no right to use such marks, names, or logos unless authorized in writing by CAS.
- (b) Trustee's and Employer's trademarks, service marks, trade names, and logos are the property of Trustee and Employer, respectively, and CAS and its Affiliates have no right to use such marks, names, or logos unless authorized in writing by Trustee or Employer, respectively.
- (c) Neither party shall use another party's copyrights, symbols, trademarks, or service marks in advertising or promotional materials or otherwise without the prior written consent of such other party.

ARTICLE VI. CONFIDENTIALITY; OWNERSHIP AND USE OF DATA

6.1 Confidentiality.

- (a) Except as otherwise provided under the Open Records Act, both parties agree to keep all confidential materials and information of the other confidential. Neither party shall reproduce, disclose or disseminate the confidential information of the other party to third parties without the prior written consent of such other party. Upon termination of this Agreement for any reason, each party shall return all confidential information of the other party, including any copies thereof, to such other party upon the other party's written request. Notwithstanding the communication and dissemination of information necessary to provide the Services required by this Agreement, all records and other information pertaining to the Plan and its beneficiaries shall be treated as confidential information.
- (b) Notwithstanding the foregoing, Trustee acknowledges and agrees that CAS may disclose confidential information received by CAS pursuant to this Agreement if such disclosure is (a) compelled by any court decree, subpoena or other legal, administrative or regulatory order or process, or (b) in the opinion of its counsel, otherwise required by law, rule, or

regulation, or necessary or appropriate in connection with any litigation or other proceeding to which CAS or its Affiliates is involved. To the extent practicable and not otherwise prohibited by law or any such order or process, CAS will use commercially reasonable efforts to notify Trustee prior to any proposed disclosure of confidential information hereunder.

- (c) Both parties agree to comply with terms and conditions of the Business Associate Agreement set forth in Exhibit "C" attached hereto and incorporated herein by reference.

6.2 Ownership and Use of Data.

- (a) CAS agrees that all books, records, lists of names, journals, ledgers and other recorded information developed specifically in connection with administration of the Plan shall always be and remain the property of Trustee. Trustee shall reasonably be entitled to access said records and Plan information for purposes of fulfilling its obligations to Plan Enrollees. Upon termination of this Agreement, CAS may deliver said records and Plan information, in original form or on electronic media, as determined by CAS in its sole discretion to Trustee or its designated agent. Records are shipped at cost to Trustee. Any special turnover reports at time of termination will be provided at an additional cost to the Trustee. CAS shall maintain copies of any records required by law following termination of this Agreement. (This provision shall not apply to such records that have been destroyed in the ordinary course of business or must be maintained by CAS as required by applicable third party administrator licensing laws.)
- (b) Trustee agrees that CAS is the sole owner of the following materials and that Trustee has no right to their use following termination of this Agreement, it being agreed that such materials were not prepared at the expense of Trustee:
 - i. claim processing and payment manuals;
 - ii. administrative procedure manuals;
 - iii. data processing system designs;
 - iv. computer programs, software and equipment.

ARTICLE VII. TERMINATION

- 7.1 Termination for Cause. If either party materially defaults in the performance of any of its obligations under this Agreement (except for a default in payments to CAS), which default shall not be substantially cured within thirty (30) days after written notice is given to the defaulting party specifying the default, then the party not in default may, by giving notice to the defaulting party, terminate this Agreement as of a date specified in such notice of termination. Notwithstanding the foregoing, with respect to material defaults (except for a default in payments to CAS) that cannot reasonably be cured within thirty (30) days, it shall not be a default under this Section if the defaulting party in good faith proceeds within thirty (30) days to commence curing said default and thereafter prosecutes with due diligence the curing of such default to conclusion.

- 7.2 Termination or Suspension for Nonpayment. In addition to any other remedies provided for in this Agreement, should Trustee (i) default in the payment when due of any amount due to CAS or (ii) fail to provide sufficient funds to cover all of its obligations under the Plan, CAS shall have the right upon written notice to suspend all services provided under this Agreement. Should Trustee fail to cure such payment or funding default(s) within ten (10) days after receipt of such notice (the "Cure Period"), CAS may, in its sole discretion, terminate this Agreement immediately and without additional notice upon expiration of the Cure Period.
- 7.3 Termination for Insolvency. If either party is declared insolvent or bankrupt in a legal proceeding, is the subject of any proceedings related to its liquidation, insolvency or for the appointment of a receiver, conservator or similar officer for it, makes an assignment for the benefit of all or substantially all of its creditors, or enters into an agreement for the composition, extension or readjustment of all or substantially all of its obligations, then all payment obligations under this Agreement shall be deemed to be administrative expenses of the bankrupt party. The liquidator, trustee, receiver, conservator, new owner, manager or other agent or representative shall have sixty (60) days to notify the other party that it is terminating this Agreement as of a date within such sixty (60) day period. If other party is not so notified, this Agreement shall not be terminated, but shall continue on all of the terms and conditions stated in this Agreement, including without limitation, the payment terms specified in Article IV.
- 7.4 Termination Obligations. Upon the expiration or termination of this Agreement for any reason, CAS shall have no further obligation to handle any pending claims to conclusion and Trustee shall immediately pay to CAS any payments due for services provided under this Agreement. Upon such payment, CAS shall turn over all pending claims and employee accumulations to Trustee or its designee.

ARTICLE VIII. INDEMNITIES AND LIABILITIES

- 8.1 Indemnity.
- (a) In performing its obligations under this Agreement, CAS neither insures nor underwrites the liability of the Trustee's Plan. CAS shall have no duty or obligation to defend against any legal action or proceeding brought to recover a claim for Plan benefits or any causes of actions for expenses or liabilities incident to the Plan. CAS shall, however, make available to Trustee and its counsel, such evidence relevant or related to such action or proceeding as CAS may have as a result of its administration of the contested benefit determination. CAS shall promptly notify in writing the Trustee or its designated legal counsel of any legal actions that involve the Plan or Trustee.
- (b) Except as otherwise explicitly provided in this Agreement, Trustee shall retain the responsibility for all Plan benefit claims and all expenses and liabilities incidental to the Plan and agrees to indemnify CAS for and hold it, its directors, officers, employees, affiliates and subsidiaries harmless from all amounts and expenses (including reasonable attorneys' fees and court costs) for which CAS may become liable resulting from Trustee's breach of this Agreement or arising out of any legal action or proceeding claiming a breach of fiduciary duty or claiming to recover benefits under the Plan.

- (c) CAS shall use reasonable care and diligence in the exercising of its powers and the performance of its duties as defined by this Agreement or written instructions submitted by Trustee or its designated representative. Furthermore, CAS agrees to indemnify Trustee and hold Trustee harmless against any and all amounts and expenses (including reasonable attorneys' fees and court costs) for which Trustee may become liable resulting from or arising out of negligent, fraudulent or criminal acts of CAS's employees, either acting alone or in collusion with others.
- (d) If any action, suit or other proceeding is commenced, or any claim or demand is asserted, relating to or in respect of which a party (an "Indemnitee") demands indemnification pursuant to this Section (each a "Claim"), the Indemnitee shall, with reasonable promptness, notify the party from which such indemnification is demanded (the "Indemnitor") of such Claim. Such notice shall describe the nature of such Claim in reasonable detail and include such written information that the Indemnitee has received with regard to the Claim as may be reasonably necessary for the Indemnitor to evaluate such Claim. The Indemnitee's failure to give such notice to the Indemnitor shall not relieve the Indemnitor from any of its or his obligations under this Agreement, except to the extent such failure materially and substantially prejudices the defense of the action or proceeding by the Indemnitor. The Indemnitor shall have the right to control the defense of any action, suit or other proceeding brought by a third party that constitutes a Claim (each a "Third Party Claim") with counsel approved by the Indemnitee, which approval shall not be unreasonably withheld, conditioned or delayed, all at the Indemnitor's sole cost and expense. The Indemnitor may not settle any such Third Party Claim without the Indemnitee's consent, which consent shall not be unreasonably withheld, conditioned or delayed (provided, however that Indemnitor shall not be required to consent to any admission of guilt or criminal wrongdoing as part of any settlement), and the Indemnitee, at his or its sole cost and expense, may employ separate counsel and participate in the defense thereof. The Indemnitee and Indemnitor shall reasonably cooperate with each other in connection with each Third Party Claim.
- (e) Rights of indemnification under this Section 8.1 shall survive termination of this Agreement.

ARTICLE IX: LIABILITY

- 9.1 Limitation of Liability. The duties of CAS are limited to those specifically set forth in this Agreement. Notwithstanding anything in this Agreement to the contrary, if Trustee, Employer, or anyone claiming under or through Trustee or Employer should make any claim against CAS or its affiliates arising out of or related to this Agreement (including, without limitation, for breach of contract, breach of warranty, breach of any indemnity or any tort claim), CAS's liability will be limited to the actual direct damages caused by CAS's actions, not to exceed (in the aggregate for all claims), the amount that Trustee paid CAS for services rendered in the preceding twelve (12) months.
- 9.2 Liability for Damages. Neither party shall be liable to the other party for any special, indirect, incidental, exemplary, or consequential damages, including without limitation lost profits,

business interruption, loss of use, or loss of information, regardless of whether such party was advised of the possibility of any of the foregoing.

ARTICLE X. MISCELLANEOUS

- 10.1 Subrogation and Recovery. As required by the Plan and mutually agreed upon by the Trustee and CAS, CAS may pursue rights of subrogation and recovery on behalf of Employer's Plan. CAS reserves the right to subcontract for the performance of these subrogation services. Trustee shall cooperate with CAS or any such subcontractor in the recovery effort.
- 10.2 Binding Nature and Assignment. This Agreement shall be binding on the parties and their respective successors and assigns. Notwithstanding subcontracting arrangements disclosed in this Agreement by CAS, neither party may assign its rights or delegate its rights or delegate its material obligations under this Agreement without the prior written consent of the other party, except that either party shall, without the obligation to obtain the prior written consent of the other party, be entitled to assign this Agreement or all or any part of its rights or obligations hereunder to an affiliate of a party; or to the purchaser of all or substantially all of the assets or capital stock of a party or to an entity into which a party is merged, provided, further that no such assignment shall relieve the party from its obligations hereunder.
- 10.3 Entire Agreement. This Agreement, including any Exhibits attached to this Agreement, each of which is incorporated herein for all purposes, constitutes the entire agreement between the parties with respect to the subject matter of this Agreement as of the date hereof and supersedes any prior agreements or arrangements between CAS and Trustee regarding the subject matter of this Agreement. This Agreement may be amended, modified or changed only by a written instrument executed by both CAS and Trustee.
- 10.4 Insurance. For the duration of this Agreement, CAS shall maintain fidelity insurance coverage in the sum of not less than \$2,000,000 and errors and omissions insurance coverage in the sum of not less than \$2,000,000.
- 10.5 Practice of Law. It is understood and agreed that CAS will not perform, and the Trustee will not request performance of, any services which may constitute the unauthorized practice of law.
- 10.6 Severability. If any provision of this Agreement is declared or found to be illegal, unenforceable or void, then both parties shall be relieved of all obligations arising under such provision, but only to the extent that such provision is illegal, unenforceable or void, it being the intent and agreement of the parties that this Agreement shall be deemed amended by modifying such provision to the extent necessary to make it legal and enforceable while preserving its intent or, if that is not possible, by substituting therefore another provision that is legal and enforceable and achieves the same objective. In addition, if such illegal, unenforceable or void provision does not relate to the payments to be made to CAS, and if the remainder of this Agreement shall not be affected by such declaration or finding and is capable of substantial performance, then each provision not so affected shall be enforced to the maximum extent permitted by law.
- 10.7 Waiver. No delay or omission by either party to exercise any right or power under this Agreement shall impair such right or power or be construed to be a waiver thereof. A waiver by either party of any of the covenants to be performed by the other or any breach shall not be construed to be a waiver of any succeeding breach or of any other covenant. All remedies provided for in this

Agreement shall be cumulative and in addition to and not in lieu of any other remedies available to either party at law, in equity or otherwise.

- 10.8 Relationship of Parties. In providing Services to Trustee under this Agreement, CAS is acting only as an independent contractor and not as a fiduciary of the Plan or an employee of Trustee. Nothing in this Agreement shall be deemed to constitute or create a joint venture, partnership, pooling arrangement or other form of business entity between CAS or any of its Affiliates and Trustee or any of its Affiliates. It is acknowledged that CAS is performing ministerial functions on behalf of and under the control and general requirements of Trustee. CAS does not undertake by this Agreement or otherwise to perform any obligation of Trustee, whether regulatory or contractual, or to assume any responsibility for Trustee's business or operations. CAS has the sole right and obligation to supervise, manage, contract, direct, procure, perform or cause to be performed, all work to be performed by CAS.
- 10.9 Force Majeure. Each party shall be excused from performance under this Agreement (except with respect to the payment of monies) for any period and to the extent that it is prevented from performing any action, in whole or in part, as a result of delays beyond its reasonable control caused by the other party or by an act of God, war, civil disturbance, court order, labor dispute, third party nonperformance, or other cause beyond its reasonable control, including without limitation, failures or fluctuations in electrical power, heat, light, air conditioning or telecommunications equipment. Such nonperformance shall not be a default or a ground for termination of this Agreement. Each party shall endeavor to promptly remedy the cause of any such nonperformance.
- 10.10 Notices. Wherever under this Agreement either party is required or permitted to give notices to the other, such notice shall be deemed given when in writing and (i) when personally delivered in hand by nationally-recognized independent courier service or (ii) when sent via certified mail, postage prepaid, to the other party at the address set forth below:

- b) If Business Associate or Covered Entity fail to cure the material breach or end the violation after the other Party's notice, Covered Entity and Business Associate (as applicable) may terminate this Exhibit by providing Business Associate or Covered Entity written notice of termination, stating the uncured material breach or violation that provides the basis for the termination and specifying the effective date of the termination. Such termination shall be effective sixty (60) days from this termination notice.

5.2 Continuing Privacy and Security Obligations. Business Associate's and Covered Entity's obligation to protect the privacy and security of the PHI it created, maintained, received, or transmitted in connection with services provided under the Agreement and this Exhibit will be continuous and survive termination, cancellation, expiration, or other conclusion of this Exhibit and the Agreement.
