## TULSA COUNTY COURT SERVICES

500 South Denver  
Tulsa, OK 74103

### MISSION STATEMENT

To provide quality court services while enhancing public safety for the citizens of Tulsa County.

# CURRENT SERVICES

## SUPERVISION & PRETRIAL RELEASE OPTIONS

- Unsupervised Pretrial Release
- Supervised Pretrial Release
- Intensive Pretrial Supervision Release / Case Management
- Pre-sentence Court Ordered Supervision
- Post-sentence Court Ordered Supervision
- Special Needs Release
- GPS Electronic Monitoring
- House Arrest
- Remote Breath Alcohol Monitoring
- Scram Alcohol Monitoring

## MENTAL HEALTH JAIL DIVERSION

Offenders identified by mental health specialists. Qualified offenders are referred to Family & Children's Services Jail Staff. Program is initiated to establish mental health treatment. Offender is referred to appropriate court for release. The offender is monitored through the court system from release through formal case disposition.

## COMMUNITY SERVICE WORK CREW

Under the direct supervision of Tulsa County Court Services, Community Service Crews are utilized to assist all 3 of the Tulsa County Highway Districts, the Levee District in Sand Springs, and various special projects through the county. The work performed is necessary for the safety and beautification of the county. While performing community service, our clients are satisfying their court ordered community service requirement and supplementing the county work force.

## SPECIALTY COURTS AND PROGRAMS PARTNER

- Drug Court/DUI Court
- Mental Health Court
- Veterans Court
- Community Sentencing
- Women In Recovery (WIR)

## COMMUNITY SERVICE PROGRAM

Community Service hours are assigned by the courts as a part of a defendant's sentence in lieu of incarceration. Defendants are assigned to perform their community service at county work sites or approved non-profit agencies. Documentation of the completion of the community service requirement is reported to the court.

## OTHER COURT RELATED SERVICES

- Alcohol/Drug Testing
- Absconder Location
- Pretrial screenings and assessments
- Other services requested by the courts
