**EXHIBITOR HANDBOOK:** By signing the Contract, Exhibitor agrees to comply with the 2024 Exhibitor Handbook. The terms, conditions and provisions of the 2024 Exhibitor Handbook are hereby incorporated into this Contract by reference as if set forth fully herein.

**MOVE IN/MOVE OUT:** Exhibitor is responsible for installing its own exhibits. Exhibitors with booths 400 square feet and larger may begin moving displays into its booth at Noon, Monday, March 4, 2024. Exhibitors with booths less than 400 square feet may begin moving displays into its booth at 7:00am, Tuesday, March 5, 2024. All moving vehicles must be out of the building by 10:00pm, Wednesday, March 6, 2024. No exhibits can be removed before the Show ends at 5 p.m., Sunday, March 10, 2024. If Exhibitor removes any portion of its exhibit or move out prior to this time, then Exhibitor will NOT be allowed back into the Show in future years and Exhibitor shall pay liquidated damages to HBA in the amount of \$500.00 because the actual damages suffered by HBA are difficult or impossible to estimate accurately. All exhibits must be out of the building by Noon, Monday, March 11, 2024. Any exhibit not removed by this deadline, will be removed by Sage Net Expo personnel to a trash receptacle and Exhibitor will be charged for such removal.

**BOOTHS:** Booth partitions will be provided by HBA without charge. Raw wood or cardboard wings must be painted or appropriately covered if visible from any other booth. Appropriateness of such covering shall be in the sole discretion of HBA. Exhibitor shall comply with all booth rules contained in the Exhibitor Manual.

**OFFICIAL DECORATOR:** The official decorator is Event1, 1601 S 129th W Ave, Sand Springs, OK, 918-245-8006. [www.event1inc.net](http://www.event1inc.net)

**SHIPPING:** Event1 will handle all shipping needs for incoming boxes and freight. Please see Show Decorator Packet for more information.

**SUBLETTING:** Exhibitor may not sublet or assign booth space to any third party without the prior express consent of HBA, which consent may be withheld for any reason. Two or more businesses may be able to exhibit in a single booth only if special arrangements are made with HBA in advance of February 7, 2024. Every company must complete a contract and be approved by HBA.

**USE OF BOOTH AREA:** Booth rental is restricted to only the allotted space. If you have an additional business going on in your booth, to help draw crowds, then this must be in your allotted booth space, not in the aisles. No solicitation or activity can be done outside your physical booth space. No soliciting, literature or costumed characters are allowed outside Exhibitors booth area.

**CONDUCT:** HBA reserves the right to stop or remove from the Show any exhibitor, or their representative(s) performing an act or practice which, in the opinion of HBA, is objectionable or detracts from the dignity of the Show.

**COMPLIANCE:** Exhibitors right to occupy its booth as contemplated by this Contract is conditioned upon strict compliance with the terms and conditions of this Contract, including, without limitation any additional manuals or rules provided to Exhibitor by HBA with regard to the Show, which manuals and rules are hereby incorporated into and made a part of this Contract. HBA reserves the right to reject, eject or prohibit any exhibit, in whole or part, or any exhibitor or their representatives, with or without given cause. If cause is not given, liability shall not exceed the return to Exhibitor of the amount of rental unused at the time of ejection. If an exhibit or exhibitor is ejected for failure or refusal to comply with these rules or for any other stated reason, no returns of rental shall be made.

**UNOCCUPIED SPACE:** If Exhibitor fails to occupy its booth by 9 a.m., March 7, 2024 or fails to comply in any other respect with the terms of this Contract, HBA shall have the right to use such booth in any manner without releasing Exhibitor from paying the sums agreed upon in this Contract.

**BOOTH FIRE SAFETY:** Exhibitor shall comply with any and all fire code laws and regulations applicable to Exhibitors booth. Exhibitor shall indemnify and hold HBA harmless from and against any and all fines, penalties or liability arising, directly or indirectly, out of any violation of applicable fire codes in or around Exhibitors booth. For this reason, nonflammable materials are recommended for Exhibitors use. Fire exits are located at each side of the building and are noted on the official floor plan.

**SECURITY:** HBA will maintain security during the Show. However, HBA will not be responsible for any theft, and Exhibitor agrees to hold HBA harmless from any such loss. Further, Exhibitor recognizes that the security personnel are independent contractors and not employees of HBA. Accordingly, Exhibitor agrees to hold HBA harmless for any loss, damage or injury which may be caused by security personnel.

**DAMAGE TO SAGE NET EXPO:** Exhibitor shall be liable for any damage caused to Sage Net Expo floors, walls or columns, or to standard booth equipment, or to the property of any third party. Exhibitor shall not apply paint, lacquer, adhesive or any other coating, tape or tacking strips to Sage Net Expo floors and columns or to standard booth equipment. Exhibitor shall hold HBA harmless from any and all liability which HBA may incur as a result of Exhibitors failure or refusal to comply with this section.

Continued on back

**LIABILITY AND INSURANCE:** Exhibitors booth is leased conditioned upon Exhibitor holding HBA and TCPFA, and their respective directors, officers, employees or agents harmless from any or all liabilities from any cause. HBA, and likewise TCPFA shall not be responsible for any loss, damage or injury that may occur to Exhibitor, its employees or property from any cause whatsoever prior, during or subsequent to the period covered by this Contract. Exhibitor expressly releases HBA and TCPFA and their respective directors, officers, employees and agents.

**RELOCATION OF EXHIBITS:** The HBA reserves the right to alter the location of exhibitors, or of booths as shown on the official floor plan, if deemed by HBA, in its sole discretion, in the best interest of the exposition. The HBA shall have the further right to prohibit, bar, prevent, and remove any exhibit or proposed exhibit, or any part of portion, thereof, which in the judgment of the HBA is unsuitable or inappropriate for the exhibition or purposes of such exhibition; and such right shall extend, but shall not be limited to all equipment, materials, displays, installations, and other items or things constituting part of or used in connection with any such exhibit.

**CANCELLATION:** It is understood that HBA will lose substantial revenue upon the unexpected cancellation of your booth. The HBA has set forth the following fee schedule in the event of cancellation. The parties agree that these fees are a fair and reasonable estimation of HBA's loss as a result of cancellation. Vendor shall pay the cancellation fee as liquidated damages if booth is canceled.

- Cancelled more than 100 days prior to March 6, 2024 – 34%
- Cancelled 99 - 60 days prior to March 6, 2024 - 70%
- Cancelled 59 days or less prior to March 6, 2024 - 100%

Written notice of cancellation must be delivered to HBA and may be made by mail, facsimile or electronic transmission. Cancellation date will be considered the date such written notification was received by HBA. Liquidated damages resulting from cancellation shall be due and payable at the time of cancellation.

**AMENDMENTS:** This Contract, together with the Exhibitor Manual and other rules provided to Exhibitor by HBA, compose the entire agreement between the parties. This Contract cannot be amended by either party except by written consent of both parties, except in instances of emergency or public safety, in which event this Contract shall be deemed amended upon Exhibitors receipt of notice of such amendment from HBA.

**Termination of Show or Contract:** Show Manager reserves the right to terminate the show if use or occupancy of the show premises is, or will be, materially interfered with by reason of fire, adverse weather, casualty, strike, embargo, material shortage, disruption of transportation or supply chain, injunction, act or threat of war, act of God, act or threat of terrorism, quarantine, disease, government order, nuclear radiation, nuclear attack, release of hazardous substances or waste, flood, unanticipated construction making the building unsuitable for occupancy, any other emergency, or any other act or event not the fault of Show Manager during the show or any period of time the availability of the exposition space is necessary or important to successful production of the show. It is expressly agreed that such a termination shall not constitute a breach of the contract. Should any of the foregoing occur and the holding of the show is interrupted or prevented, Show Management will return such portion of the amount paid for space as may be determined to be equitable by Show Management after deduction of such amounts as may be necessary, in Show Manager's judgment, to cover expenses related to termination, including a reserve for claims in connection with the show. In the event the show is so cancelled, postponed, or relocated, Show Management shall not be financially liable to or otherwise obligated to exhibitor except as provided herein. In addition to the foregoing, Show Management reserves the right to cancel the contract without further obligation at any time prior to Show opening by giving notice to exhibitor at the address set forth above and refunding all deposits not previously expended on behalf of exhibitor. Show Management and the HBA shall have no further obligation or liability to exhibitor under this agreement or otherwise.
