In the event of any conflict or inconsistency between this Agreement and the provisions of any other Related Documents, the provisions of this Agreement shall control. Use of the term "including" means "including without limitation." Any reference to a particular document includes all modifications, supplements, replacements, renewals or extensions of that document, but this rule of construction does not authorize amendment of any document without the Bank's consent. Except as otherwise expressly provided herein, all terms of an accounting or financial nature shall be construed in accordance with GAAP. Whenever the Bank's determination, consent, approval or satisfaction is required under this Agreement or the other Related Documents or whenever the Bank may at its option take or refrain from taking any action under this Agreement or the other Related Documents, the decision as to whether or not the Bank makes the determination, consents, approves, is satisfied or takes or refrains from taking any action, shall be in the sole and exclusive discretion of the Bank, and the Bank's decision shall be final and conclusive.

2. Warrant Credit Facility.

- 2.1 Warrant Line of Credit.** The Bank has approved a credit facility for the Borrower in the principal sum not to exceed the Commitment in total aggregate Advances outstanding at any one time (the "**Credit Facility**"). The Credit Facility is subject to the terms and conditions of this Agreement.

Availability. From time to time, the Borrower may issue Warrants to pay vendors for services and to evidence obligations to other Persons at times when the Borrower has not yet collected revenues to pay its obligations. The Borrower has requested that the Bank pay the Warrants when presented to the Bank. The Warrants are payable through any Tulsa County bank and will be drawn on the Account. Subject to the terms and conditions of this Agreement and provided that no Event of Default has occurred, the Bank agrees to make advances in the face amount of each Warrant (each, an "**Advance**") on or before the Termination Date to pay the face amount of each Warrant as and when presented for payment through the Bank provided that the total amount of Advances outstanding at any one time does not exceed the Commitment. The obligation of the Borrower to repay the Advances shall be evidenced by the Warrants paid by the Bank and upon payment the Bank shall become the owner of the Warrant and entitled to have the Borrower register the transfer of said Warrant to the Bank upon the Borrower's books and records.

The Borrower shall make all payments under this Agreement and the other Related Documents, without setoff, deduction or counterclaim, to the Bank at the Bank's address above or at such other place as the Bank may designate in writing unless applicable Law provides otherwise. Payments shall be allocated among principal, interest and fees at the discretion of the Bank unless otherwise required by applicable Legal Requirements. Acceptance by the Bank of any payment that is less than the payment due at that time shall not constitute a waiver of the Bank's right to receive payment in full at that time or any other time.

On each day that a Warrant is presented, the Bank will advance funds automatically to the Account to make payment. For purposes of collecting and paying of the Warrants, the Bank's standard treasury management agreement governing deposit accounts as may be amended from time to time will apply except when inconsistent with this Agreement. Each issuance of a Warrant by the Borrower is deemed to be a request for an Advance to be made upon presentment of the Warrant to the Bank and a representation and warranty by the Borrower to the Bank that the representations and warranties in Section 6 are true and correct on the date the Warrant is issued and on the date presented to the Bank.

The Bank is authorized to accept and pay each Warrant presented for payment to the Bank and the Bank is not obligated to inspect any Warrant for the presence or authentication of any signature, alteration or endorsement or whether or not the signature is authorized; provided, however, the Bank may refuse or delay payment in its sole discretion if the Bank has concerns that any Warrant may be invalid, altered or forged or other concerns regarding the validity of any Warrant. The Borrower agrees that payment or non-payment of any Warrant by the Bank shall be fully enforceable against the Borrower and the Borrower shall have no claim against the Bank for same and shall be barred from bringing any action against the Bank that is in any way related to the payment or non-payment of any Warrant. Each Advance/Warrant shall become due on the Termination Date, as it may be accelerated pursuant to this Agreement. The Bank's records of payment of Warrants and amount of interest calculated from date of payment of the Warrant shall be conclusive absent manifest error. The parties agree to

cooperate with each other in the event of any dispute with respect to the calculation of interest and the amount owed by the Borrower.

Promise to Pay. The Borrower promises to pay to the order of the Bank, in lawful money of the United States of America, the sum of the amount all Warrants paid by the Bank, plus interest on the unpaid principal balance of all Advances/Warrants paid computed on the basis of a 360 day year consisting of twelve (12) thirty (30) day months unless that calculation would result in a usurious interest rate, in which case interest will be calculated on the basis of a 365 or 366 day year, as the case may be at the rate (the interest rate of any Advance/Warrant on any day is referred to herein as the, "**Warrant Rate**") equal to the LIBOR Rate plus one and one half percent (1.50%) per annum (the "**Applicable Margin**"), and at the rate of three percent (3.00%) per annum above the Warrant Rate, at the Bank's option, upon the occurrence of any Event of Default, whether or not the Bank elects to exercise any remedies under this Agreement, from the date such increased rate is imposed by the Bank; provided, however, in no event shall interest hereon ever be charged, paid, collected or received at a rate in excess of the Maximum Lawful Rate. If the Warrant Rate at any time exceeds the Maximum Lawful Rate, the actual rate of interest to accrue on the unpaid principal balance will be limited to the Maximum Lawful Rate, but any subsequent reductions in the Warrant Rate due to reductions in the LIBOR Rate will not reduce the interest rate payable upon the unpaid principal amount below the Maximum Lawful Rate until the total amount of interest accrued equals the amount of interest which would have accrued if the Warrant Rate had at all times been in effect. Further, in determining whether the interest contracted for, charged, or received by the Bank exceeds the Maximum Lawful Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Liabilities hereunder.

Each Advance shall bear interest from the date of the Advance until the earlier of: (a) the Warrant associated with the Advance is paid in full to the Bank by the Borrower together with interest applicable to such Advance and (b) the date which is thirty (30) days after notice is given by the Borrower to the Bank pursuant to Section 4.9 that the Borrower has funds to pay the Warrants and calls for payment thereof, the Bank will present the Warrants to the County Treasurer for payment and provide an invoice with respect to estimated interest owed to the scheduled date of payment per the Call Notice described in Section 4.9 of this Agreement. In the event any Warrant is not paid after a Call Notice it shall continue to accrue interest at three percent (3.00%), plus the Warrant Rate not to exceed the Maximum Lawful Rate.

Inability to Determine Interest Rate. If the Bank determines on any day that quotations of interest rates for the relevant deposits referred to in the definition of the LIBOR Rate are not being provided for purposes of determining the interest rate on any Advance on any day, then each Advance shall bear interest at the Prime Rate plus the Applicable Margin until the Bank determines that quotations of interest rates for the relevant deposits referred to in the definition of LIBOR Rate are being provided.

Increased Costs. If, after the effective date of this Agreement, any Change in Law: (1) shall impose, modify or deem applicable any reserve (including any reserve imposed by the Board of Governors of the Federal Reserve System, or any successor thereto, but excluding any reserve included in the determination of the LIBOR Rate pursuant to the provisions of this Agreement), special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by the Bank; or (2) shall impose on the Bank any other condition affecting its LIBOR Rate loans, any promissory note or its obligation to make LIBOR Rate loans; and the result of anything described in clauses (1) above and (2) is to increase the cost to (or to impose a cost on) the Bank of making or maintaining any LIBOR Rate loan, or to reduce the amount of any sum received or receivable by the Bank under this Agreement or any promissory note with respect thereto, then upon demand by the Bank (which demand shall be accompanied by a statement setting forth the basis for such demand and a calculation of the amount thereof in reasonable detail, a copy of which shall be furnished to the Bank), the Borrower shall promptly pay to the Bank such additional amount as will compensate the Bank for such increased cost or such reduction, so long as such amounts have accrued on or after the day which is 270 days prior to the date on which the Bank first made demand therefor.

Tax-Exempt Option. The Bank and the Borrower acknowledge and agree that as of the effective date of this Agreement, the Credit Facility shall be treated as a taxable financing. Upon request by the Borrower, and delivery of all documents, certifications and tax opinions that the Bank may require and to its satisfaction, the Credit Facility shall be converted to a tax-exempt financing. The Bank shall notify the Borrower in writing of its satisfaction of all conditions for the conversion of the Credit Facility to a tax-exempt financing. Further, the

Bank and the Borrower shall meet and discuss in good faith any adjustment to the Applicable Margin, which shall be in accordance with industry standards, and evidenced in writing.

B. No Event of Default. 8.2 No Waiver. No delay on the part of the Bank in the exercise of any right or remedy waives that right or remedy. No single or partial exercise by the Bank of any right or remedy precludes any other future exercise of it or the exercise of any other right or remedy. The making of an Advance during the existence of any Event of Default or subsequent to an Event of Default or when all conditions precedent have not been met shall not constitute a waiver of the condition precedent or Event of Default. No waiver or indulgence by the Bank of any Event of

Default is effective unless it is in writing and signed by the Bank, nor shall a waiver on one occasion bar or waive that right on any future occasion.

- 8.3 Integration.** This Agreement and the other Related Documents embody the entire agreement and understanding between the Borrower and the Bank and supersede all prior agreements and understandings relating to their subject matter. If any one or more of the obligations of the Borrower under this Agreement is invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining obligations of the Borrower shall not in any way be affected or impaired, and the invalidity, illegality or unenforceability in one jurisdiction shall not affect the validity, legality or enforceability of the obligations of the Borrower under this Agreement and the other Related Documents in any other jurisdiction.
- 8.4 Force Majeure.** In the event either party is unable to perform any of its obligations under this Agreement or to enjoy any of its benefits because of natural disaster or decrees of governmental bodies not the fault of the affected party (hereinafter referred to as a "**Force Majeure Event**"), the party who has been so affected shall promptly give notice to the other party and shall do everything possible to resume performance. Upon receipt of such notice, all obligations under this Agreement shall be immediately suspended. If the period of nonperformance exceeds thirty (30) days from the receipt of notice of the Force Majeure Event, the party whose ability to perform has not been so affected may, by giving written notice, terminate this Agreement.
- 8.5 Governing Law and Venue.** This Agreement shall be governed by and construed in accordance with the Laws of the State of Oklahoma (without giving effect to its Laws of conflicts). The Borrower agrees that any legal action or proceeding with respect to any of its obligations under this Agreement may be brought by the Bank in any state or federal court located in the State of Oklahoma, as the Bank in its sole discretion may elect unless the Laws of the State of Oklahoma provide otherwise with respect to collecting payment on any Warrants.
- 8.6 WAIVER OF JURY TRIAL. THE BORROWER AND THE BANK HEREBY EACH IRREVOCABLY WAIVE ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY AND EACH AGREES THAT ANY SUCH ACTION OR PROCEEDING SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY. THE BORROWER AND THE BANK EACH ACKNOWLEDGE THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO ENTER INTO A BUSINESS RELATIONSHIP, THAT EACH HAS RELIED ON THE WAIVER IN ENTERING INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AND THAT EACH WILL CONTINUE TO RELY ON THIS WAIVER IN THEIR RELATED FUTURE DEALINGS. THE BORROWER AND THE BANK EACH WARRANT AND REPRESENT THAT IT HAS HAD THE OPPORTUNITY OF REVIEWING THIS JURY WAIVER WITH ITS LEGAL COUNSEL, AND THAT EACH KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS.**
- 8.7 Survival of Representations and Warranties.** The Borrower understands and agrees that the Bank is relying on all representations, warranties and covenants made by the Borrower in this Agreement or in any certificate or other instrument delivered by the Borrower to the Bank under this Agreement or in any of the other Related Documents. The Borrower further agrees that regardless of any investigation made by the Bank, all such representations, warranties and covenants will survive the making of the Credit Facility and delivery to the Bank of this Agreement, shall be continuing in nature, and shall remain in full force and effect until such time as the Warrants and all other Liabilities shall be paid in full.
- 8.8 Non-Liability of the Bank.** The relationship between the Borrower on one hand and the Bank on the other hand shall be solely that of borrower and lender. The Bank shall have no fiduciary responsibilities to the Borrower. The Bank undertakes no responsibility to the Borrower to review or inform the Borrower of any matter in connection with any phase of the Borrower's business or operations.
- 8.9 No Third Party Beneficiaries.** The obligations of the Bank under this Agreement are for the benefit of the Borrower only and no other Person shall have any rights hereunder or be a third party beneficiary.
- 8.10 Counterparts.** This Agreement may be executed in multiple counterparts, each of which, when so executed, shall be deemed an original, but all such counterparts, taken together, shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page of this Agreement or any other Related

Document by telecopy or electronic communication shall be effective as delivery of a manually executed counterpart hereof or thereof.

- 8.11 Advice of Counsel.** The Borrower acknowledges that it has been advised by counsel, or had the opportunity to be advised by counsel, in the negotiation, execution and delivery of this Agreement and any other Related Documents.
- 8.12 Reinstatement.** The Borrower agrees that to the extent any payment or transfer is received by the Bank in connection with the Liabilities, and all or any part of the payment or transfer is subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid or transferred by the Bank or paid or transferred over to a trustee, receiver or any other entity, whether under any proceeding or otherwise (any of those payments or transfers is hereinafter referred to as a "**Preferential Payment**"), then this Agreement shall continue to be effective or shall be reinstated, as the case may be, even if all those Liabilities have been paid in full and whether or not the Bank is in possession of any Warrant and whether any Warrant has been marked, paid, released or cancelled, or returned to the Borrower and, to the extent of the payment, repayment or other transfer by the Bank, the Liabilities or part intended to be satisfied by the Preferential Payment shall be revived and continued in full force and effect as if the Preferential Payment had not been made. The obligations of the Borrower under this section shall survive the termination of this Agreement.
- 8.13 Assignments.** The Borrower agrees that the Bank may provide any information or knowledge the Bank may have about the Borrower or about any matter relating to this Agreement or the other Related Documents to BOKF, NA dba Bank of Oklahoma, or any of its subsidiaries or affiliates or their successors, or to any one or more purchasers or potential purchasers of Warrants or the other Liabilities. The Borrower agrees that the Bank may at any time sell, assign or transfer with or without discount one or more interests or participations in all or any part of its Warrants to one or more purchasers whether or not related to the Bank other than to Persons prohibited by Title 62 of the Oklahoma Statutes for purchasing such Warrants.
- 8.14 Waivers.** The Bank may waive or delay enforcing any of its rights without losing them. Any waiver affects only the specific terms and time period stated in the waiver. No modification or waiver of any provision of this Agreement is effective unless it is in writing and signed by the Person against whom it is being enforced.

- 9. USA PATRIOT ACT NOTIFICATION.** The following notification is provided to the Borrower pursuant to Section 326 of the USA Patriot Act of 2001, 31 U.S.C. Section 5318:

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT. To help the government fight the funding of terrorism and money laundering activities. Federal Law requires all financial institutions to obtain, verify, and record information that identifies each Person that opens an account, including any deposit account, treasury management account, loan, other extension of credit, or other financial services product. What this means for the Borrower: When the Borrower opens an account, if it is an individual the Bank will ask for its name, taxpayer identification number, residential address, date of birth, and other information that will allow the Bank to identify it, and, if it is not an individual the Bank will ask for its name, taxpayer identification number, business address, and other information that will allow the Bank to identify it. The Bank may also ask, if the Borrower is an individual, to see its driver's license or other identifying documents, and if it is not an individual, to see its Organizational Documents or other identifying documents.
